There has never been a better time to buy at a beautiful, waterfront community on the Georgia Coast. Ideally located midway between Jacksonville and Savannah, The Peninsula at Golden Isles is offering “unprecedented value” for coastal property. Call us today for this once in a lifetime opportunity!

- Minutes from beaches, restaurants, and historic sights of St. Simons and Jekyll Island
- 56 Acres of navigable freshwater lakes and deep water access to the Atlantic Ocean
- Large homesites with preserved green space and oak canopied parks
- Located on the coast of Historic Brunswick, recently ranked as one of the “best values” by Money Magazine
